Curbside Yard Waste Collection Ends In October

The Borough's curbside yard waste collection service will end in October. Yard waste and brush is collected in Zone #1 and Zone #2 on the second Friday of each month and in Zone #3 on the third Friday of each month. Yard waste and brush can be taken to the Borough's Drop-Off Recycling and Composting facility on South Thomas Avenue during the Center's hours of operation.

Fall Leaf Collection

The only question we receive more often than what night is Trick or Treat, is when will the Borough start collecting leaves. The start of leaf collection is determined by the weather and collection begins on streets that are designated as Snow Emergency Routes and then crews will move onto side streets. Leaves should not be raked into the roadway. Residents can take their leaves to the Borough's Thomas Avenue Drop-Off Center on Mondays & Wednesdays between 4:00pm & 7:00pm and Saturdays, between 8:00am & 3:00pm through the end of this year.

WINTER WEATHER INFORMATION

We don't want to think about the "S" word either but it will be here before we know it, and residents are reminded a Snow Emergency automatically goes into effect in Sayre Borough when the National Weather Service issues a Winter Storm Warning or Heavy Snow Warning for our area. Residents are encouraged to monitor local media outlets for information during winter storms and frequently check the Borough's Facebook page for updates and postponements to collection schedules.
